Intralot, Inc. Announces Results of its Exchange Offer and Consent Solicitation For Certain of Intralot Capital Luxembourg S.A.’s Euro-Denominated Notes due 2021 and Satisfaction of a Minimum Acceptance Condition

30 July 2021

Further to the announcement dated 1 July 2021 by Intralot, Inc. (the “**Issuer**”) in connection with:

- (i) the offer (the “**Exchange Offer**”) to acquire any and all of the outstanding €250,000,000 6.750% Senior Notes (collectively, the “**2021 Notes**”) issued by Intralot Capital Luxembourg S.A. (“**Intralot Capital**”) in exchange for up to \$244,585,500 in aggregate principal amount of its new Senior Secured PIK Toggle Notes (the “**New Notes**”); and
- (ii) the solicitation of consents by Intralot Capital (the “**Consent Solicitation**”) from holders of the 2021 Notes to amend certain provisions of the 2021 Notes and the indenture governing the 2021 Notes (the “**2021 Notes Indenture**”)

the Issuer announces today the results of the Exchange Offer and that each of the Minimum Acceptance Condition and the Minimum Acceptance Condition (as defined in the 2024 Notes Exchange Offer) has been satisfied. The Exchange Offer and Consent Solicitation were made upon, and are subject to, the terms and conditions set forth in the exchange offer and consent solicitation memorandum dated 1 July 2021 (the “**Solicitation Memorandum**”). Capitalised terms used in this announcement but not defined have the meaning given to them in the Solicitation Memorandum, which is available from the Exchange Agent at the address below.

The Exchange Offer expired at 11:59 p.m., New York time, on 29 July 2021. As 98.99% of the aggregate principal amount of 2021 Notes outstanding (excluding any 2021 Notes held by Intralot Capital and its affiliates) are validly tendered for exchange in the Exchange Offer, the Minimum Acceptance Condition is met as at the Expiration Deadline.

Additionally, the Exchange Agent has confirmed that the Minimum Acceptance Condition (as defined in the 2024 Notes Exchange Offer) for the concurrent offer being made by Intralot Global Holdings B.V. to holders of the outstanding €500,000,000 5.250% Senior Notes due September, 15 2024 issued by Intralot Capital (the “**2024 Notes Exchange Offer**” and, together with the Exchange Offer, the “**Exchange Offers**”) is also met at the Expiration Deadline.,

The expected Settlement Date for the Exchange Offer is 3 August 2021. The New Notes will be delivered on the Settlement Date and the Proposed Amendments will become operative and binding on all holders of the 2021 Notes and all subsequent holders.

For the avoidance of doubt, a holder who validly submitted the Exchange Instruction will receive a principal amount of New Notes rounded down to the nearest \$1.

On July 28, 2021 certain funds that claim to hold 2024 Notes filed a complaint in the United States District Court for the Southern District of New York seeking a judgment that the Exchange Offers violate the applicable indenture and are voidable under a New York State statute. On July 29, 2021, those funds filed an application seeking a temporary restraining order in relation to the Exchange Offers. The court has scheduled a hearing on the funds’ application for August 2, 2021. The Issuer believes the suit has no merit, and it intends to oppose the relief being sought and to close the Exchange Offers promptly.

Market Abuse Regulation

This announcement is released by Intralot, Inc. and contains information that qualified or may have qualified as inside information for the purposes of Article 7 of the Market Abuse Regulation (EU) 596/2014 (“MAR”), encompassing information relating to the Exchange Offer and Consent Solicitation described above. For the purposes of MAR and Article 2 of Commission Implementing Regulation (EU) 2016/1055, this announcement is made by Mr. Byron Boothe, the CEO of the Issuer.

Disclaimer

This announcement must be read in conjunction with the Solicitation Memorandum. This announcement and the Solicitation Memorandum contain important information which should be read carefully. If any Holder is in any doubt as to the contents of the Solicitation Memorandum or the action it should take, it is recommended to seek its own financial advice, including in respect of any tax consequences, from its broker, bank manager, solicitor, accountant or other independent financial, tax or legal adviser. None of the Issuer or the Exchange Agent or any of their respective directors, employees or affiliates has made any recommendation whether Holders should tender 2021 Notes pursuant to the Exchange Offer.

Offer and Distribution Restrictions

The distribution of this announcement and/or the Solicitation Memorandum in certain jurisdictions may be restricted by law. Persons into whose possession this announcement and/or the Solicitation Memorandum come(s) are required by the Issuer and the Exchange Agent to inform themselves about, and to observe, any such restrictions. Nothing in this announcement nor the Solicitation Memorandum constitutes an offer to buy or a solicitation of an offer to sell the 2021 Notes (and tenders of 2021 Notes in the Exchange Offer will not be accepted from any Holders) in any circumstances in which such offer or solicitation is unlawful.

United States

Neither the Exchange Offer nor the New Notes have been registered under the Securities Act or any other securities laws and the Exchange Offer is only directed at, and the New Notes have only been offered and will only be issued to, Holders of record as of the Record Date of 2021 Notes who can represent that they are either (i) QIBs in private transactions in reliance upon an exemption from the registration requirements of the Securities Act or (ii) outside the United States and not U.S. persons (as defined in Regulation S) and are lawfully able to participate in the Exchange Offer in compliance with applicable laws of applicable jurisdictions (each such person, an “**Eligible Holder**”). Only Eligible Holders were authorised to receive or review the Solicitation Memorandum or to participate in the Exchange Offer. For a description of restrictions on transfer of the New Notes, see “*Selling and Transfer Restrictions*” in the Information Memorandum attached to the Solicitation Memorandum as Annex I. Investors who are QIBs are hereby notified that the Issuer will be relying on an exemption from the provisions of Section 5 of the Securities Act.

European Economic Area (“EEA”)

The Exchange Offer and Consent Solicitation was not addressed, and the New Notes were not intended to be offered, sold or otherwise made available and should not be offered, sold or otherwise made available, to more than 149 retail investors per member state of the European Economic Area (“EEA”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended “**MiFID II**”); or (ii) a customer within the meaning of Directive (EU) 2016/97 (the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (as amended, the “**Prospectus Regulation**”). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIPs Regulation**”) for offering or selling the New Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the New Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

The Solicitation Memorandum has been prepared on the basis that all offers of the New Notes has been made pursuant to an exemption under the Prospectus Regulation from the requirement to produce a prospectus for offers of the New Notes. In relation to each Relevant State of the EEA (a “**Relevant State**”), no offer of New Notes to the public in that Relevant State has been made other than at any time to fewer than 150 natural or legal persons or to qualified investors as defined in the Prospectus Regulation; provided that no such offer of New Notes shall require us to publish a prospectus pursuant to Article 3 of the Prospectus Regulation, or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation. In the EEA, the Solicitation Memorandum and the Exchange Offer and Consent Solicitation were addressed only to the first 149 natural or legal persons (other than qualified investors) per EEA member state who validly submit an Exchange Instruction. After the first 149 natural or legal persons (other than qualified investors) in an EEA member state have validly submitted an Exchange Instruction, any subsequent Exchange Instructions submitted by natural or legal persons (other than qualified investors) in that member state would have been invalid. In the UK, the Solicitation Memorandum and the Exchange Offer and Consent Solicitation were addressed only to the first 149 natural or legal persons (other than qualified investors) who validly submit an Exchange Instruction. After the first 149 natural or legal persons (other than qualified investors) in the UK have validly submitted an Exchange Instruction, any subsequent Exchange Instructions submitted by natural or legal persons (other than qualified investors) in the UK would have been invalid.

For the purposes of this provision, the expression an “offering of securities to the public” shall have the meaning ascribed in the Prospectus Regulation.

United Kingdom

The communication of the Solicitation Memorandum and any other documents or materials relating to the Exchange Offer were not made, and such documents and/or materials have not been approved, by an authorized person for the purposes of section 21 of the Financial Services and Markets Act 2000 (the “**FSMA**”). Accordingly, the Solicitation Memorandum and such other documents and/or materials have not been distributed to, and must not be passed on to, the general public in the United Kingdom. The communication of the Solicitation Memorandum and such other documents and/or materials were exempt from the restriction on financial promotions under section 21 of the FSMA on the basis that they have only been distributed to and are only directed at persons to whom they can lawfully be circulated outside the United Kingdom or to: (i) persons in the United Kingdom having professional experience in matters relating to investments falling within the definition of investment professionals (as defined in Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the “**Order**”)); (ii) persons falling within Article 49(2)(a) to (d) (“high net worth companies, unincorporated associations, etc.”) of the Order; or (iii) any other persons to whom the Solicitation Memorandum and such other documents and/or materials may otherwise lawfully be communicated under the Order (all such persons together being referred to as “**relevant persons**”). The Solicitation Memorandum and such documents and/or materials have been directed only at relevant persons and must not be acted on or relied on by persons who are not

relevant persons. Any investment or investment activity to which the Solicitation Memorandum relates was available only to relevant persons and have been engaged in only with relevant persons.

For the purposes of Regulation (EU) 2017/1129 (as amended) as it forms part of United Kingdom domestic law by virtue of the European Union (Withdrawal) Act 2018 (EUWA) (the “**UK Prospectus Regulation**”), the communication of the Solicitation Memorandum and any other documents or materials relating to the Exchange Offer and Consent Solicitation is an offer of securities addressed to fewer than 150 natural or legal persons per Member State of the EEA, other than qualified investors (as defined in the UK Prospectus Regulation). Accordingly, the requirement to produce a prospectus under the UK Prospectus Regulation does not apply to the Exchange Offer or the Consent Solicitation.

General

The Exchange Offer does not constitute an offer to buy or the solicitation of an offer to sell 2021 Notes (and offers to sell will not be accepted from the Holders) in any circumstances in which such offer or solicitation is unlawful.

Each Holder participating in the Exchange Offer has been deemed to have given certain representations in respect of the jurisdictions referred to above and generally as set out in the Solicitation Memorandum. Any tender of 2021 Notes pursuant to the Solicitation Memorandum from a Holder that is unable to make these representations will be rejected. Each of the Issuer and the Exchange Agent reserves the right, in its absolute discretion (and without prejudice to the relevant Holder's responsibility for the representations made by it), to investigate in relation to any tender of 2021 Notes, whether any such representation given by a Holder is correct and, if such investigation is undertaken and as a result the Issuer determines (for any reason) that such representation is not correct, such tender will be rejected.

The Issuer and its affiliates expressly reserve the right at any time or from time to time following completion or termination of the Exchange Offer, to purchase or exchange or offer to purchase or exchange 2021 Notes or to issue an invitation to submit offers to sell 2021 Notes (including, without limitation, those tendered pursuant to the Exchange Offer but not accepted for purchase) through open market purchases, privately negotiated transactions, tender offers, exchange offers or otherwise, in each case on terms that may be more or less favorable than those contemplated by the Exchange Offer. In addition, the Issuer also reserves the right to issue new debt securities from time to time, including during the term of the Exchange Offer.
